ARTICLE I

Definitions

Unless the context shall prohibit, certain words used in this Declaration shall be defined as set forth in Exhibit "B", attached hereto and by reference made a part hereof.

ARTICLE II

Property Subject To This Declaration

Section 1. Property Hereby Subjected To This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants and restrictions hereafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to this Declaration is the real property described in Exhibit "A", attached hereto and by reference made a part hereof. It is contemplated that the described property will be developed in phases, subdivided and platted for additional Lots and additions, and all such Lots shall be subject to these protective covenants.

Section 2. Other Property. Only the real property described in Section 1 of this Article II is hereby made subject to this Declaration; provided, however, by one or more Supplementary Declarations, Declarant, in its sole discretion, or the Association, with Declarants approval, have the right, but not the obligation, to subject other real property to this Declaration, as hereinafter provided.

ARTICLE III

Association Membership and Voting Rights

Section 1. Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided in this Declaration and in the By-Laws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than one (1) vote be cast nor office held for each Lot owned.

Section 2. Voting. Members shall be entitled to one (1) vote for each Lot owned. When more than one Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended in the event more than one Person seeks to exercise it.

Section 3. Authority of the Association. THE ASSOCIATION SHALL HAVE NO AUTHORITY TO ENFORCE THE COVENANTS AND RESTRICTIONS, NOR SHALL THE ASSOCIATION HAVE ANY POWER OF AUTHORITY TO PERFORM ANY ACTS REQUIRED OR ALLOWED UNDER THE DECLARATION OF COVENANTS AND RESTRICTIONS UNTIL THE RIGHTS OF THE DECLARANT ARE TERMINATED UNDER THE PROVISIONS OF THIS DECLARATION OF COVENANTS AND RESTRICTIONS AND/OR THE DECLARANT AUTHORIZES THE ASSOCIATION SUCH AUTHORITY. THE FIRST ANNUAL MEETING OF THE HOMEOWNERS ASSOCIATION SHALL BE CALLED BY THE DECLARANT AFTER ALL LOTS IN ALL PHASES ARE SOLD UNLESS THE DECLARANT, IN ITS SOLE DISCRETION, DEEMS OTHERWISE.

ARTICLE IV

Assessments

Section 1. Purpose of Assessment. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and occupants of Lots, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

Section 2. Creation of the Lien and Personal Obligation for Assessments. Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) annual assessments or charges; (b) special assessments, such assessments to be established and collected as hereinafter provided; and (c) specific assessments against any particular Lot which are established pursuant to the terms of this Declaration, including, but not limited to, reasonable fines as may be imposed in accordance with the terms of this Declaration. All such assessments, together with late charges, interest, not to exceed the maximum legal rate, costs, and reasonable attorney's fees actually incurred, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made. Each such assessment, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due. Each Owner shall be personally liable for his or her portion of each assessment coming due while he or she is the Owner of a Lot, and his or her grantee shall be jointly and severally liable for such portion thereof as maybe due and payable at the time of conveyance to the extent expressly assumed; provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgagee holder taking title through foreclosure proceedings or deed in lieu of foreclosure.

The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot shall be binding upon the Association as

of the date of issuance.

Assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration, upon ten (10) days' written notice, of the annual assessment for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in annual installments.

Section 3. Computation. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year, which shall include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the budget and the assessments to be levied against each Lot for the following year to be delivered to each member prior to the end of the current fiscal year. The budget and the assessment shall become effective unless disapproved at a meeting by a Majority of the total Association vote or by the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article X hereof). Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 4. Special Assessments. In addition to the other assessments authorized herein, the Association may levy special assessments from time to time if approved by the majority of the total Association vote and the Declarant (so long as the Declarant has not transferred its rights to the HOA). Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

Section 5. Lien for Assessments. All sums assessed against any Lot pursuant to this Declaration, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on such Lot in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such Lot, except for (a) liens for ad valorem taxes; or (b) liens for all sums unpaid on a first Mortgage or on any Mortgage to Declarant duly recorded in the land records of the county where the Community is located and all amounts advanced pursuant to such Mortgage and secured thereby in accordance with the terms of such instrument.

All other persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded in such records shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens and encumbrances.

Section 6. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in an amount as the Board may from time to time determine. The Association shall cause a notice of delinquency to be given to any member who has not paid within ten (10) days following the due date. If the assessment is not paid within thirty (30) days, a lien, as herein provided, shall attach and, in addition, the lien shall include the late charge, interest, not to exceed the maximum legal rate, on the principal amount due, and all late charges from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association or its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the same.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of

the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

All payments shall be applied first to costs and attorney's fees, then to late charges, then to interest and then to delinquent assessments.

Section 7. Date of Commencement of Assessments. The assessments provided for herein shall commence as to a Lot subject to this Declaration on the first (1st) day of the month following the conveyance of such Lot to a person other than the Declarant or Winter Homes, LLC. Assessments shall be due and payable in a manner and on a schedule specified as the Board of Directors may provide. Lots which have not been so conveyed and are still titled in the Declarant, or its successors and assigns, or Winter Homes, LLC shall NOT be subject to assessments on the same "per lot" basis as Lots titled to others. The first annual assessments shall be adjusted according to the number of months then remaining in that fiscal year. The initial general assessment shall be One Thousand Dollars (\$1,000.00) per year.

Section 8. Specific Assessments. The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to Article XII, Section 1 of this Declaration and the costs of maintenance performed by the Association which the Owner is responsible for under Article V, Sections 1 and 2 of this Declaration shall be specific assessments. The Board may also specifically assess Lots for the following Association expenses, except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

- (a) Expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received.
- (b) Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

Section 9. Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (i) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year, and such advances shall be evidenced by promissory notes from the Association in favor of the Declarant; or (ii) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Community. The Declarant in its sole discretion may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

ARTICLE V

Maintenance; Conveyance of Common Property to Association

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping, facilities and improvements situated on the Common Property. The Association shall maintain the entry features at the main entrance of the Community and shall maintain and pay the expenses for water or electricity, if any, provided to all such entry features and or common area facilities. The Association shall also maintain all medians located in the Community. All property outside of Lots located within the Community which was originally maintained by Declarant, any park, playground, clubhouse, pool, and fencing constructed by the Declarant or the Association shall be maintained by the Association. Declarant shall maintain all Common Property until conveyed to the Association.

Additionally, the Association may maintain the lawns and shrubbery of individual homes on such basis as it deems appropriate and assess each Owner for the cost of such maintenance, which costs shall be paid by Owner as billed. It is anticipated that such maintenance will be done only when the Association deems necessary.

The Association may, with a majority vote, construct such other amenities as deemed appropriate. All such construction shall require the approval of the Architectural Control Committee. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community, where the Board has determined that such maintenance would benefit all Owners.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, then the Association may perform such maintenance, repair or replacement at Owner's sole cost and expense, and all costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard and shall conform to any applicable ordinances and regulations.

Section 2. Owner's Responsibility. Except as provided in Section I above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. In the event that the Board of Directors of the Association determines that any Owner has failed or refused to discharge properly his obligations with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder, the Association shall, except in an emergency situation, which shall be determined in the Association's sole discretion, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at Owner's sole cost and expense, and all costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot.

Section 3. Conveyance of Common Property by Declarant To Association. The Declarant may transfer or convey to the Association any personal property and any improved or unimproved real property, leasehold, easement, or other property interest which is or may be subjected to the terms of this Declaration. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its Members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

ARTICLE VI

Use Restrictions and Rules

Section 1. General. This Article, beginning at Section 2, sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended in the manner provided in Article XIII, Section 4, hereof regarding amendment of this Declaration. In addition, the Board may, from time to time, without consent of the Owners, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. Such use restrictions and rules shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a Majority vote of the Association entitled to vote thereon and the consent of Declarant (so long as the Declarant has not transferred its rights to the HOA). Construction of the dwelling must begin within twelve (12) months of the date of acquisition and be fully completed, and a Certificate of Occupancy obtained, within thirty-six (36) months from that date with reasonable extensions to be provided at Declarant's discretion.

Section 2. Residential Use. All Lots shall be used for single-family residential purposes exclusively. No business or business activity shall be carried on in or upon any Lot at any time except with the written approval of the Architectural Control Committee. Leasing of a Lot shall not be considered a business or business activity. However, the Board may permit a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance and does not unduly increase traffic flow or parking congestion and is allowed as a home occupation by ordinances of the City of Athens or Limestone County district. The Board may issue rules regarding permitted business activities. No structure of a temporary character including, without limitation, a trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence, either temporarily or permanently.

Section 3. Signs. No sign of any kind shall be erected by an Owner or occupant of a Lot within the Community without the prior written consent of the Architectural Control Committee. Notwithstanding the foregoing, the Board shall have the right to erect reasonable and appropriate signs, "For Sale" and "For Rent", of not more than five (5) square feet and consistent with the Community-Wide Standard, upon any Lot, and any builder may erect one (1) sign not larger than ten (10) square feet to advertise the property during the construction and sale period. This restriction shall not apply to entry signs or signs advertising the property for sale placed by the Declarant. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.

Section 4. Vehicles. The term "vehicles," as used herein, shall include, without limitation, motor homes, ATVs, boats, trailers, motorcycles, mini-bikes, scooters, go-carts, trucks, campers, buses, vans, recreational vehicles, tractors, mowers and automobiles. All vehicles shall be parked within garages or driveways. Parking of any vehicle in yards or on unpaved areas is prohibited.

No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five (5) days if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five (5) day period, such vehicle shall be considered a nuisance and may be removed from the Community. No vehicle, boat, trailer, bus, camper, recreational vehicle, motor home, tractor, mower or mobile home shall be temporarily kept or stored in the Community for any period in excess of two (2) weeks unless kept in a garage or other area designated by the Board; vehicles parked in violation of this provision shall be considered a nuisance and may be removed from the Community. Trucks with mounted campers that are an Owner's or occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks shall be parked, kept or stored within the Community, and if so parked, kept, or stored shall be considered a nuisance and may be removed from the Community.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except

for public safety vehicles and vehicles authorized by the Board.

Section 5. Leasing. Lots may be leased for residential purposes only. All leases shall have a minimum term of six (6) months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, By-Laws, use restrictions and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's property. It being the Owner's ultimate responsibility for tenant's behavior and all assessments due for the Lot.

Section 6. Occupants Bound. All provisions of the Declaration, By-Laws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant, and is not paid timely, the fine may then be levied against the Owner.

Section 7. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot without the prior written consent of the Architectural Control Committee, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board, and not to exceed a total of three (3) pets per Lot at any time; provided, however, those pets which are permitted to roam free, or in the sole discretion of the Board, endanger health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners or occupants or the owner of any property located adjacent to the Community may be removed by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs which are household pets shall at all times whenever they are outside be on a leash or otherwise confined in a manner acceptable to the Board. Without prejudice to the Board's right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Community. Animal control authorities shall be permitted to enter the Community to patrol and remove pets. Pets shall be registered, licensed and inoculated as required by law. Excessive barking shall be considered a nuisance and subject to special assessment and or fine.

Section 8. Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition of his or her property. No building shall be permitted to stand with its exterior in an unfinished condition for longer than six (6) months after commencement of construction. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the Occupants of surrounding property. No obnoxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other Sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law.

Section 9. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

Section 10. Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, colors, and location shall have been submitted in writing to and approved by an Architectural Control Committee established by the Board. The Board may employ, for the

Architectural Control Committee, architects, engineers, or other persons necessary to enable the Committee to perform its review. The Architectural Control Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated. Written design guidelines and procedures shall be promulgated for the exercise of this review, which guidelines may provide for a review fee. For so long as Declarant has not transferred its rights to the HOA, Declarant shall have the right to appoint all members of the Architectural Control Committee. Upon the surrender in writing of such right, the Board shall appoint the members of the Architectural Control Committee.

Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Control Committee, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Control Committee, the Board, nor the officers, directors, member, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of, or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the Architectural Control Committee, the Board, or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law that provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given. A One Hundred Seventy-Five Dollar (\$175.00) non-refundable plan review fee shall be paid to the Architectural Control Committee along with the proposed house plan. This fee shall not be applicable to Winter Homes, LLC. The Declarant hereby appoints Kenny Winter, Jimmy Schrimsher and Michelle Coker as the initial Architectural Committee.

Section 11. Antennas. No exterior antennas of any kind shall be placed, allowed, or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Board or its designee. Satellite dishes will be allowed only with prior approval of the Architectural Control Committee and must include location, size, color and shall not be visible from the street on which house fronts.

Section 12. Tree removal. No trees shall be removed without the express consent of the Board or its designee, except for (a) diseased or dead trees; (b) trees needing to be removed to promote the growth of other trees; or (c) for safety reasons.

Section 13. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or occupant of a Lot may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property. Reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 14. Sight Distance at Intersections. No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

Section 15. Garbage Cans. All garbage cans and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property and shall be kept in a clean and sanitary condition. All construction debris, rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Trash, garbage, debris, or other waste

matter of any kind may not be burned within the Community.

Section 16. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Board or its designee. Declarant, however, hereby expressly reserves the right to alter any Lot or Lots owned by Declarant. Any such division or boundary line change shall not be in violation of the applicable subdivision and zoning regulations.

Section 17. Guns. The use of firearms in the Community is not permitted. The term "firearms" shall include "BB" guns, pellet guns and small firearms of all types.

Section 18. Fences. No fence shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Lot, without the prior consent of the Architectural Control Committee. Fencing shall be 4 rail horse fencing unless otherwise approved by the Architectural Control Committee. No fence shall be located closer to the front property line of any Lot than the rear most corner of the dwelling without the prior consent of the Architectural Control Committee.

It is the responsibility of each Owner to maintain fences located along their Lot lines, except where the fence is located between lots, then, it is the responsibility of each Owner to pay one-half (1/2) the cost of maintenance of said fence. In the event any Owner shall fail to maintain their fence after notice by the Association, then, the Association may make such repairs and charge the Owner the cost of such repair plus a twenty-five (25%) service fee. Any damage done to the fencing shall be repaired solely at the expense of the Owner or whose agents or invitees caused such damage.

All fencing is required to be stained oxford brown using Olympic #713 or a color determined by the Declarant and which shall be approved by the Architectural Control Committee in writing prior to application. No chain link fence will be allowed within the subdivision. Fencing material shall be approved the Architectural Control Committee prior to installation. Fencing shall be stained within six (6) months of occupancy.

Section 19. Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

Section 20. Air Conditioning Units and Utility Meters. Except as may be permitted by the Architectural Control Committee, no window air conditioning units may be installed. No air conditioning apparatus, utility meter or unsightly projection shall be attached to the front of any dwelling unless hidden from view of the street by fence or landscaping.

ARTICLE VIII

Insurance and Casualty Losses

Section 1. Insurance on Common Property. The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Property and the entry features, if any, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

The Board shall obtain a public liability policy applicable to the common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million and No/100 (\$1,000,000.00) Dollars.

The Board is hereby authorized to contract with or otherwise arrange to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof, and Declarant shall be authorized, but not obligated, to purchase such insurance coverage for the benefit of the Association and the Owners upon Declarant and Association agreeing upon the terms and conditions applicable to reimbursement by the Association for costs incurred by Declarant in obtaining such coverage. Notwithstanding anything contained in this Declaration to the contrary, the Board shall not be required to comply with the provisions of this Article if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

Premiums for all insurance shall be common expense of the Association. The policies may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties, as further identified in subparagraph (b), below. Such insurance shall be governed by the provisions hereinafter set forth:

- (a) Policies shall be written with a company authorized to do business in Alabama.
- (b) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.
- (c) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees, and the insurance carried by the Association

shall be primary.

(d) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually by one or more qualified persons, at least one of whom must be in the real estate industry and, familiar with construction in the country where the Community is located.

(e) The Association's Board of Directors make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(iii) that no policy may be canceled, invalidated, or suspended on account of any one or more individual Owner;

(iv) that no policy may be canceled, subjected to non-renewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;

(v) that any "other insurance" clause in any policy exclude individual owners' policies from consideration; and

(vi) that no policy may be canceled, subjected to non-renewal or substantially modified without at least thirty (30) days prior written notice to the Association.

In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the director's best business judgment. and, if available, shall at least equal three (3) months assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled, subjected to non-renewal or substantially modified without at least thirty (30) days prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

Section 2. Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt on or before the expiration of any policy. If the Association does acquire insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Unit as a specific assessment.

Section 3. Damage and Destruction- Premises Insured by Association.

(a) In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five (75%) percent of the total Association vote and the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof) otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

Section 4. Damage and Destruction Premises Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within ninety (90) days after such damage or destruction or, where repairs cannot be completed within ninety (90) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within ninety (90) days after such damage or destruction. In the event of noncompliance with this provision, the Board of Directors shall have all enforcement powers specified in Article XIII, Section 1, of this Declaration.

Section 5. Insurance Deductible. The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

ARTICLE IX

Condemnation

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five (75%) percent of the total Association vote other than Declarant and the Declarant (so long as the Declarant has an option unilaterally to subject property to this Declaration as provided in Article X hereof) shall otherwise agree, the Association shall restore or replace such

improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provision of Article VIII, Section 3, above, applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

ARTICLE X

Annexation of Additional Property

Section 1. Unilateral Annexation by Declarant.

(a) As the Owner thereof, or if not the Owner, with the consent of the Owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until twenty (20) years after the recording of this Declaration to subject additional property to the provisions of this Declaration and the jurisdiction of the Association by filing for record, in the county in which the property to be annexed is located, a Supplementary Declaration describing the property being annexed. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

(b) The rights reserved unto Declarant to subject additional land to the Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. Other Annexation. Subject to the consent of the Owner thereof and the consent of the Declarant (so long as the Declarant has not transferred its rights to the HOA) upon the affirmative vote of a majority of the Association vote present or represented by proxy at a meeting duly called for such purpose, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located, a Supplementary Declaration describing the property being annexed. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Board shall have the right to grant such easement.

Section 4. Easement for Entry. In addition to the right of the Board to exercise self-help as provided in Article XIII, Section 2, hereof, the Board shall have the right, but shall not be obligated, to enter upon any property within the Community for emergency, security, and safety, which right may be exercised by the manager, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties.
